

What would be on your list of optimum features of a HS Teacher Pathway?

1. A mentor who understands the needs of a high school student. Someone who will build trust. Someone who will provide authentic experiences with guidance.
2. Scholarships/remission for college access
3. Ongoing support and connections, beyond a scholarship or class
4. Mentorship throughout
5. Learning community with other learners pursuing teaching
6. Hands-on experience
7. Events and fun opportunities to connect with higher ed options
8. Bilingual Support for students/parents
9. A strong collaboration with university administrators of HS Dual Credit programs AND the teacher preparation faculty.
10. A visual that is clear and outlines the path students could take as well as “on-ramps” and “off-ramps” as we all know life gets complicated.
